MEMORANDUM

TO: BOB MORGAN, State Engineer  
LEE SIM, Assistant State Engineer  
Kerry Carpenter, Regional Engineer-Cedar City

FROM:  JOHN H. MABEY, JR., Assistant Attorney General

DATE: November 1, 1999

RE: Robert L. Morgan, State Engineer of Utah v. Howard Marshall, Beaver County  
Civil No. 990500079  
Partial Satisfaction of Judgment

Enclosed is a copy of the Partial Satisfaction of Judgment entered in the above matter. The \$120.00 judgment against Howard Marshall for the court filing fees was paid by Security Title Company in Beaver.

There apparently was a sale of the Howard Marshall property at which time the buyer was made aware of the Default Judgment. The \$120.00 judgment was paid, but the permanent injunction against irrigating the land remains in effect.

I am now officially closing the case file for the Howard Marshall matter in the Attorney General's Office. But should any unlawful irrigation on the subject parcel occur again, please so advise.

Please contact me should you have any questions.
